Re: Patent Application Serial No. 10/647,573  
Soccer Training Device  
Inventor: Gregory Pakieser

Dear Sir:

I am the attorney of record in the above-identified patent application, and I need to know when the patent will be issued in this case. I checked on the Internet, and the last transaction entry I found on your Web Site is dated February 17, 2006 stating "Application is Considered Ready for Issue." A print-out copy of that entry is enclosed.

I made several telephone calls to the Patent and Trademark Office and was told by the several employees who answered or attempted to answer the question when the patent will be issued, that it would take them some time to get that information and that I could call them back in three weeks or so.

I have therefore decided to send a letter to you and make a written request for that information when the patent in this case will be issued, since your records indicate the application was considered ready for issue as of February 17, 2006. The client is becoming anxious, and I need to provide him with an answer.

Thank you for your attention to this request.

Very truly yours,
